DESIGN JEAN-MARIE MASSAUD

Serie di tavoli rettangolari e rotondi con piano in cristallo trasparente extralight o fumè mm 12 bisellato, temperato.

Le basi, in cristallo trasparente extralight o fumè stratificato 10+10 mm, ottenute grazie a complesse lavorazioni di molatura, bisellatura ed incollaggio, sono smontabili e fissate al piano tramite delle piastre sagomate in acciaio inox.

FINITURE:

- Cristallo trasparente extralight
- Cristallo fumé

Series of rectangular and rounded tables with top in transparent extralight or smoked glass mm. 12 thick chamfered and tempered.

The bases, in transparent extralight or smoked laminated glass 10+10 mm, achieved by complex manufacturing processes of grinding, chamfering and gluing, can be dismantled and are fixed to the top through stainless steel plates.

FINISHES:

- Transparent extralight glass
- Smoked glass
