

LABYRINTH

Piero Lissoni

Tavolini in cristallo trasparente extralight 8 mm, temperato ed incollato, dall'aspetto estremamente leggero. L'articolato piano d'appoggio rimane sospeso tra due spalle, marcadole con un elegante segno grafico e suggerendo le più svariate funzioni ed utilizzi.

Low glass tables in tempered and glued transparent extralight glass 8 mm thick, characterized by a great light aspect. The well-structured top is suspended by two sides which are emphasized through refined graphic definition, suggesting several purposes and uses.
