glass bench, glass chair, glass sofa
Tokujin Yoshioka

Panca, poltroncina e divano in cristallo trasparente extralight temperato e termosaldato (panca in 15 mm, poltroncina e divano in 19 mm).
I cristalli sono rifiniti con speciali bisellature, che riflettono e rifrangono la luce, conferendo all'oggetto un aspetto di rara preziosità.
All'estrema leggerezza formale della seduta, fa riscontro una notevole resistenza ai carichi.

Bench, small armchair and sofa in transparent extralight thick, tempered and thermowelded glass (bench in 15 mm, small armchair and sofa in 19 mm).
The glass is embellished with special bevelling which reflects and refracts the light, lending the object a rare preciousness.
Despite its extreme lightness of form, the seat has considerable weight bearing capacity.
