

QUARANTACINQUE

Design by:
Officinadesign Lema

Year:
2001

Result of careful design research by Officinadesign Lema, Quarantacinque is a series of elegant beside tables and drawer units that take its name from refined 45 degree joints. Ideal testimony of Lema's style, it represents a true work of craftsmanship transposed into industrial production. They are proposed in lacquered matt and in over 40 colours to match any style and bedroom.
